

# What is WW2BW?

WW2BW is an international alliance of governments, international organizations, NGOs, universities, research groups, and corporations that seek to *enhance the quality of natural resources* in the wider Caribbean *through partnerships*.

**The WW2BW Vision:**  
Healthy, well-managed and productive marine and coastal ecosystems that support stable and secure economies and livelihoods in coastal countries.

## Mission

To promote the practice of integrated watershed and marine ecosystem management in support of sustainable development through facilitating and strengthening partnerships to address issues such as integrated watershed management, marine ecosystem-based management, environmentally sound marine transportation, and sustainable tourism in the Wider Caribbean.
